Lisle Library Celebrating 50 Years of Service!

In 1963, the Lisle Woman's Club had a dream - to see a full-service public library in our Village. The following year, they accomplished their first step with the opening of a children's library in the basement of 4742 Main Street (the current home of B. Gunther & Company).

In September of 1964, the "Friends of the Lisle Library" group was formed to work for the passage of a referendum to create a tax-supported library. On December 11, 1965 a referendum proposal was passed that established the Lisle Library District. We are honored to have been able to serve the people of this community for 50 years.

We are kicking off our year-long celebration by hiding 100 "Golden Tickets" (50 upstairs and 50 downstairs) in materials throughout the Library. Keep your eyes peeled – the lucky finders of these golden tickets will be able to turn them in at the Circulation Services Desk for a prize! (Only one ticket is redeemable per person.)

Stay tuned for more special "50th Anniversary" programs and events throughout 2015!

Warm Hearts Give Warm Hands

Beat the winter blues and join us for our **"Warm Hearts Give Warm Hands"** kick-off event on **Sunday, February 1**. Bring new or gently used mittens, hats, scarves, or winter coats to the Library and enjoy some hot cocoa and a craft for kids between **1:30-3:30 p.m.** This is the 5th year the Library has collected donations and given them directly to the People's Resource Center of DuPage County. Items will be accepted throughout February. Please ask at the Circulation Services Desk if you have any questions. Thank you in advance for giving the "gift of warmth" to your neighbors in need.

Introducing ReDiscover! ReDiscover

We're excited to announce that the nine-library cooperative project formerly known as "The Big Read" has undergone some changes. Newly christened "ReDiscover," this new endeavor will offer a series of programs, book discussions and films. Instead of limiting ourselves to a single book as the thread connecting everything, ReDiscover is guided by a theme illustrated through a series of books.

"Celebrating Home" is the theme for ReDiscover 2015. A variety of programs for both adults and children exploring this theme will be offered at all participating libraries from mid-March through April. The core selection of books we've chosen to inspire our programming are *At Home: A Short History of Private Life* by Bill Bryson, *Howard's End* by E. M. Forster, *Under the Tuscan Sun: At Home in Italy* by Frances Mayes, *Home* by Marilynne Robinson and *The Hundred-Year House* by Rebecca Makkai. We hope you'll enjoy ReDiscover! Watch for complete program information in early February 2015.
