FAQ

What magazines are available?

LLD subscribes to over 80 titles on business, sports, travel, hobbies and more. Current and back issues are available. If you would like to be notified when new issues of magazines are released, check the box for **Email me when the next issue is available** next to the **Checkout** button.

Can I print from a magazine?

Printing is only available while viewing a magazine on a computer browser. To print, click the print icon located on the left side of the page.

Is there a due date?

You may keep checked out magazines as long as you like. You can remove checked out titles on the app* by tapping the top left menu and tapping "Checked Out." Your magazines will appear with an "x" in the upper right corner. Tap the "x" and you will get a message that the magazine has been returned.

**You can also return magazines through your computer browser (see Getting Started opposite).*
