   Director Weinstein posed a question to the Committee regarding the Village’s Downtown Master Plan. The Director mentioned that both the LLD and the Village were in the process of visioning their futures via strategic planning. She stated that the Library should plan long-range and explore all viable capital project options.

   Director Weinstein asked the Committee that if a mixed-use development opportunity materialized, would they be open to the idea of the Library being stationed in the downtown area as part of a mixed-use project. She stipulated that this would have to be financially feasible, provide organizational efficiencies, as well as other advantages. Committee members provided positive feedback and agreed that exploring potential opportunities in the downtown area was appropriate.

   Director Weinstein stated that she would incorporate Committee feedback into the final draft of the Strategic Plan. She announced that the next meeting is scheduled for Thursday, November 1st, at 7 pm.

EXECUTIVE SUMMARY

A strategic plan helps an organization plan its future. In January of 2018, the Lisle Library District (LLD) Board President appointed the LLD Strategic Planning Committee (SPC). The Committee included all LLD Trustees and key staff. The SPC has produced a plan that is focused on equity, access, diversity, improved Library experiences, and fiscal responsibility. The SPC envisions this Plan to advance the LLD forward for the next three years. The SPC utilized community input, key research, and innovative ideas to direct development. The 2019-2022 LLD Strategic Plan was adopted by the Board of Trustees on November 14, 2018.

SPC Process

2011-2016
The last LLD Strategic Plan was a five year plan that spanned 2011-2016. During this time, the LLD acknowledged that the Library’s facility had some deficiencies and needs, so a Facilities Steering Committee (FSC) was formed in 2012 to address upcoming facility projects (retired in 2016). The FSC used the 2011-2016 LLD Strategic Plan as its foundational document to guide discussions. Though technically expired, the LLD continued to recognize the Plan’s important concepts and goals until a new plan was in place.

2017
In 2017, the LLD experienced a membership shift on the Board as well as a leadership shift with a new Director. These changes fostered discussions regarding a new strategic plan for the Library. Also in 2017, the LLD completed a comprehensive Community Engagement Project where the LLD hired a consultant to facilitate focus groups, community forums, and a District-wide community survey concentrating on service, collection, and facility needs. There were four focus groups with a total of 29 stakeholders, two community forums with a total of 70 participants, and 737 completed surveys. The results of this project are available on the LLD’s website: lislelibrary.org.
2018
February 21, 2108 marked the first of nine SPC meetings. The first meeting served as an introduction and review of the 2011-2016 LLD Strategic Plan, 2012-2016 LLD Facilities Steering Committee Report, 2016 Strategic Facility Plan (Engberg Anderson), and 2017 Community Engagement Project (Millennia Consulting).

Succeeding SPC meetings included reviewing other institutional plans, discussing areas of focus for a future plan, and sharing ideas about potential facility improvements and/or areas in the building or around the campus that need attention. The SPC eventually narrowed the main areas of focus to four:

<table>
<thead>
<tr>
<th>Advocacy/Outreach Awareness</th>
<th>Facility</th>
<th>Organizational Culture</th>
<th>Technology &amp; Innovation</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Additional information follows Executive Summary. Focus areas are shown in alphabetical order and are all of equal importance.

While the SPC agreed upon four main areas for the three year Plan, the Committee has also identified additional attributes that inspire and guide this Plan:

- Diversity
- Data Driven Decisions
- Partnerships
- Efficiencies
- Training
- Grant Writing
- Alternative Funding
- Lifelong Learning
- Fiscal Responsibility

The above attributes serve as drivers and/or motivators and shall contribute to the discussions, decisions, and implementation of all focus area initiatives and projects.

Implementation
Strategically addressing the objectives outlined in this Plan will be a continual effort between the Library’s Administration and the Board of Trustees. During the course of the 2019 -2022 LLD Strategic Plan, the Director will apprise the Board of Plan initiatives and coordinate committee-related projects with the appropriate bodies.
