Return or Renew

Return

Titles are automatically returned on their due date and there will never be a late fee. If you finish a title early, you can return it before the due date using the steps below:

- Tap Shelf
- Tap Loans
- Tap Manage Loan
- Choose **Return Early** or **Renew Loan**, if available

Renew

The option to renew a title will appear within 3 days of the due date, if available. If you see the option to **Place a Hold** when trying to renew a title, it means you cannot renew the title because others have placed a hold on it

Five items can be checked out at any time, along with holds on five additional items
