### Returning audiobooks early

Your library audiobook will automatically expire after the lending period ends. You are not required to return audiobooks and there are no late fees. However, using the OverDrive Media Console, you are able to return an audiobook before the lending period is over.

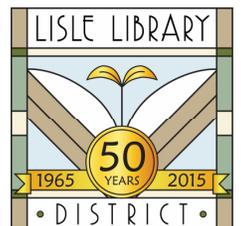

1. While in the OverDrive Media Console, click on the title of the book you want to return.
2. Click the "Delete" button from the top menu.
3. Next, click "Return/Delete" to both return the MP3 audiobook and delete it from your computer.

#### Please Note:

- If an audiobook is checked out to someone else you can place a hold on it.
- There is a 5 item checkout limit per person.
