A MESSAGE FROM THE LIBRARY DIRECTOR

The LLD continues to evaluate potential capital improvements for the facility. And though not capital projects per se, the Library has completed a few smaller enhancements as of recent.

This fall, a number of sidewalk areas and curbs were repaired around the campus. We also installed two blue outdoor book drops that accommodate both SUVs and sedans. Patrons have requested that we address the vehicular disparity. We heard, and we delivered! Patrons are very pleased to now have a two-tiered option.

The LLD is always looking to make your Library visit more convenient and rewarding. We are grateful for your feedback and suggestions.

I want to wish all District residents a very *HAPPY NEW YEAR* as we look forward to more ideas and improvements in 2020.

Tatiana Weinstein | LLD Director
