## A MESSAGE FROM THE LIBRARY DIRECTOR

The Library's online presence is an extension of our services and resources. Our website, [lislelibrary.org](http://lislelibrary.org), is our platform. We also reach people via social media. The LLD actively engages on six social media platforms: Facebook, Twitter, Pinterest, Instagram, Flickr, and YouTube.

In the last quarter of 2018, 22,050 users visited [lislelibrary.org](http://lislelibrary.org). Those users also represented 2,500 different cities! Top city being Lisle - no surprise there - but next in line was not Naperville or Downers Grove ... but ... Chicago. Other representations were from out of state and out of country such as Dallas, Los Angeles, France, and Canada. Looks like a lot of our residents were on vacation during the holidays!

Just remember, as LLD card-carrying residents, you can access databases, e-books, e-magazines, movies, and music while out of town by visiting [lislelibrary.org](http://lislelibrary.org).

[lislelibrary.org](http://lislelibrary.org) is your 24/7 audio /visual /literary bank of resources!

For even more fascinating website statistics, see the Director's Report in the January Board packet - accessible via ... you guessed it ... [lislelibrary.org/about-us/library-board](http://lislelibrary.org/about-us/library-board).
