In continuing efforts to improve public awareness/transparency regarding facility projects at the Library, I'm pleased to announce that we now have an LLD Capital Projects page on our website under the "About Us" tab - [lislelibrary.org](http://lislelibrary.org).

LLD Trustees and staff have comprehensively discussed capital project options since 2012. On the new page, there are links to the reports and presentations that have affected and guided LLD Board capital project discussions. New information will be added as it becomes available.

As always, the LLD seeks to make your Library more gratifying, accessible, and helpful to you and your family. Stay tuned for updates and pay us a visit soon...we love seeing you at the LLD!
