A MESSAGE FROM THE LIBRARY DIRECTOR

National Library Week is an event celebrating libraries all across our country. This year's message is:
LIBRARIES = STRONG COMMUNITIES

Public libraries strengthen their communities and touch the lives of citizens every day.

From access to technology, to job resources, to storytimes for children, the Lisle Library District (LLD) provides programs and services to meet the needs of our community on a daily basis. The LLD is committed to lifelong learning, the free exchange of information, and civic engagement...all of which add up to a strong Lisle.

National Library Week is April 7th through 13th, so if you haven't visited the LLD in a while, take some time to celebrate our nation's libraries, by visiting your very own! You'll be glad you did.
