## A MESSAGE FROM THE LIBRARY DIRECTOR

There's nothing cozier than the Library in the fall... and we are determined to provide you the materials, programs, and resources you need to breeze through autumn with flair! From *Star Wars Reads Day* on October 6th, to the annual *Halloween Storytime Parade* on the 31st, to a harvest of technology classes and seasonal craft programs – *the Library is your cornucopia!*

The staff and Board of Trustees are also hard at work formulating a new Strategic Plan. One of the elements of our facility planning involves exploring Universal Design (UD) concepts. UD refers to the idea of designing space and providing resources/services for people of all ages, abilities, and backgrounds. Providing an inclusive environment is a priority goal and we intend to continually advance our efforts towards equitable access for all.

For more information on UD & Libraries, go to: <https://tinyurl.com/yaryqabm> for an interesting School Library Journal article which also links out to the Center for Universal Design's, "Seven Principles."

*Happy Thanksgiving everyone!*
