A Message from the Library Director

We Midwesterners are very familiar with seasonal change, but autumn seems to be the season that especially signifies a shift in routine, *weather-wise and otherwise*. With leaves and temperatures falling, school starting and holiday plans lurking, life gets busier and busier come autumn.

The Library also feels this shift and we want to help you in your educational, professional and recreational pursuits in preparation for the season. Uptick your professional skills by logging into lynda.com and ponder that promotion opportunity. Check-out cooking and entertainment books to inspire your holiday planning. Study for that exam here; we have Wi-Fi and reference materials! Have your little ones attend *Monday Fundays* and *Terrific Tuesdays* to enhance STEAM learning. Join a book discussion group and meet some new people who also love to read! It can be a hectic time of the year, but we are here to get you through it so you can enjoy the fall colors, food, family and friends.

— Tatiana Weinstein

What's In A Name?

Help us name our Triceratops! A face like this needs a great name, and we want you to help us! Stop by Youth Services to fill out a name suggestion slip, then at the end of October we will all vote to make the final decision. If this looks familiar, it is the fine work of Lisle's very own Elementary art teacher extraordinaire, Nancy Staszak! Don't miss your chance to name this Dino!
