CONNECTIONS

SUMMER 2020

Summer Read 2020

June 15th - August 24th

Kids

Keep track of all of the minutes you read during the week. If you are able to log 100 minutes before the end of the week, you'll be entered into a drawing to win a gift card for books, games, or food. You decide the prize!

In case you aren't feeling lucky, we have another incentive for you. As long as you read and log 100 minutes in at least 5 (of 10) weeks of the program, you will be able to choose a book from the ReadSquared trading post. The book is yours to keep!

We also have YS Adventure kits which include supplies and instructions that mirror the fun of LLD programs, while at home. Be sure to check the LLD online calendar for details and dates for pick-ups!

We have a special program for LLD babies as well! Complete 15 activities that promote different forms of early literacy -or- read 15 different books to earn points towards a board book and an LLD beach ball.

Adults & Teens

Adults: Read and log 4 books during the program to earn an LLD canvas tote bag!

Teens: Read and log 4 books during the program to earn an LLD water bottle! Plus, complete additional reading challenges to earn stickers so you can decorate your water bottle.

New this summer! Don't miss our take-and-make Craft Kits for Adults & Teens! Visit our online calendar to reserve a Kit and schedule your Curbside Pick-Up. Supplies are limited. Kits are provided on a first registered, first served basis and are only available to LLD cardholders. We will offer a different Craft Kit each week of Summer Read. Registration for Kits will open every Monday at 9:00 a.m.

To sign up, go to lislelibrary.readsquared.com

Curbside Pick-Up

- Curbside pick-up is available from 11:00 a.m. to 7:00 p.m. on Tuesdays and Thursdays, and from 10:00 a.m. to 5:00 p.m. on Saturdays. Registration for a pick-up time slot is required.
- This service is reserved for LLD patrons only.
- Pick-up items will be in plastic bags.

How To:

- Visit the LLD online catalog and place the items you would like on hold. All items must be past quarantine to be circulated. Cardholders are currently limited to receiving 20 items per week.
- Verify that your items are ready: After 24 hours, log into your Library card account to confirm that your items are available. They will have a status of 'Held' when available.
- Schedule your pickup time: Once you have verified that your items are available, go to the LLD online calendar and schedule a pick-up date and time that works for you. Look for LLD CURBSIDE PICK-UP on Tuesdays, Thursdays, and Saturdays on the online calendar. There are limited time-slots for each curbside pick-up day (times/days may be modified if necessary). We will keep holds for 7 days.
- Pick-up your items: Once you have a pick-up time confirmed, drive to the employee/bookdrop parking lot off of Front Street and park where LLD CURBSIDE PICK-UP signs are located (#1). Call 630-971-1675 to let us know you have arrived. Please listen for voicemail prompts to guide you. Indicate if you are picking up for more than one person/cardholder in your household. A staff member will bring your holds out in a plastic bag, on a book cart, and will park the book cart in front of your vehicle, and step away (#2). Once the staff member steps away from the book cart, please exit your vehicle and pick-up your items.
- Use the outside bookdrops to return all materials (#3).

Frequently Asked Questions – Curbside Pick-Up

Q: Can I place a hold over the telephone?

A: Yes. Call us at 630-971-1675 and listen for the new phone prompts to direct you to a department or email us at adultservices@lislelibrary.org or youthservices@lislelibrary.org for additional assistance.

Q: Are all materials available for pick-up?

A: No. Certain items are not available for pick-up, please check the online catalog for item availability. Please note that the LLD is adhering to a 96-hour (4-day) quarantine of returned materials, so some items may have longer wait periods. Interlibrary loan service has also been temporarily suspended.

Q: What if I don't have a mobile phone? How can I let you know I'm in the pick-up parking lot?

A: If you do not have a mobile phone to alert us that you are at the LLD to pick up your items, please notify us ahead of time via a landline call or via email, and we will make special arrangements for the pick-up.

Q: Do I need a Library card?

A: Yes, you must have a Lisle Library District card in order to place holds. However, you will not need the physical card to pick-up your holds. All holds will be checked-out to you before you pick-up. Register for a Library card from home by visiting lislelibrary.org.

Q: What if I miss or have to change my pick-up time?

A: If you miss or have to change your pick-up time, call 630-971-1675 to reschedule. Items that have been scheduled and are not picked up will be cancelled after 24 hours. Please do not come to pick-up materials without a scheduled/confirmed online pick-up time.

Q: What if it is raining or we have bad weather?

A: We will do our best to provide pick-up service in any weather. Should dangerous weather conditions arise, we will suspend services until it is safe. We will contact patrons as soon as possible to avoid complications. Materials will be in plastic bags.

Q: Are Library materials safe to use?

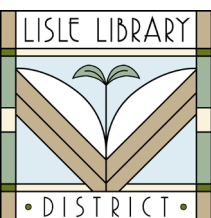

A: All LLD materials will be quarantined for a minimum of 96 hours (4-days) before they are made available to the public. The LLD is exceeding the recommendations of the Northeast Document Conservation Center (NDCC). However, the LLD cannot make any medical/scientific safety guarantees regarding materials. It will be up to the individual patron to determine their comfort level upon using Library materials. For more information on COVID-19 and surface area stability see the recent study published in the New England Journal of Medicine on March 17, 2020.

Q: What are you doing to protect the safety of patrons and staff?

A: LLD staff are provided with PPE (personal protective equipment). The LLD will continue to follow the CDC (Center for Disease Control) guidelines. Curbside pick-up shall be non-contact, where both patrons and staff maintain social distancing protocol and follow all LLD procedures for curbside service.

Q: Why are you using plastic bags for pick-up items?

A: Plastic bags are being used to protect materials, patron privacy, and to limit physical contact with the items.

RE-OPENING TO THE PUBLIC

The LLD will re-open to the public on July 6, 2020. Due to the continued risk of COVID-19, the LLD is re-opening with modified hours, new requirements, added services, and limits on some of our resources and space.

HOURS:

Monday – Friday: 11:00 am* to 9:00 pm

Saturday – 10:00 am to 5:00 pm

Sunday – 1:00 pm to 5:00 pm

***VULNERABLE POPULATIONS:** The first hour of the day, Monday through Friday, will be reserved for patrons who are more vulnerable; senior citizens, young children/caregivers/pregnant patrons, and those who have compromised immune systems.

MASKS ARE REQUIRED: Masks are required in the facility. Per Illinois State law, all persons over the age of 2 must cover their nose and mouth when in the Library (IL EXECUTIVE ORDER 2020-43 | COVID-19 EXECUTIVE ORDER NO. 41). LLD staff will greet patrons at the entrance and provide a complimentary face mask to someone who hasn't come prepared. Why? It's the law, it's to protect the health of patrons and staff, and it's to ensure the LLD can stay open. Wearing a mask is an act of respect, caring, and support for our community's health and economy.

There is no doubt that re-opening the Library with modified hours and procedures will pose some challenges for both residents and for the LLD staff. But I am confident that our community will rise to the occasion for the benefit of all. Thank you for your understanding, for your patience, and for keeping each other healthy and safe.

VISIT LISLELIBRARY.ORG FOR COMPLETE RE-OPEN DETAILS.

Welcome back,

Tatiana Weinstein | LLD Director
