

Lisle Library District Cardholders:

Science Reference Center offers full text for hundreds of science encyclopedias, reference books, and periodicals. Topics covered include biology, chemistry, earth & space science, environmental science, health & medicine, life science, and mathematics.

Access Steps:

From Your Computer:

Go to www.lislelibrary.org/LLDdatabases

Select "Science Reference Center."

Enter your library card number and PIN. Click "Login."

Click "Login."

GETTING STARTED:

- In the search box, type search words or topics and click "Search," or click on Explore Topics under the search box and select sub-topics as needed.
- Click on the title of an article to download as a pdf file, read, or use the icons at the top right of the page to Save, Cite, Add to Project, Share, or Download.
- Use "My Dashboard" to view Overview, Projects Saved, Saved (items), Searches, and Viewed. This area allows users to keep track of their own work completed in this database.
- Use "Research Tools" to access General Search, Curriculum Standards, Citation Help, and Research Guide.

Use "Advanced Search" to limit your search to various fields, or to Online full text, Peer reviewed, and Date range.
