LISLE LIBRARY · DISTRICT ·

Lisle Library District Cardholders:
Reference Solutions is a resource to locate business and residential data using location, industry code, volume of revenue and number of employees as search criteria.

**Access Steps:**

From Your Computer:
Go to: lislelibrary.org/LLDdatabases
Select "Reference Solutions."
Enter your library card number and PIN. Click "Login."

Browse, Search, and Filter:

- Select a database such as U.S. Businesses or U.S. Healthcare.

- Use "Quick Search" to search by company name, executive name, address, or phone. Click the blue "View Results" button.

- In the results, click on a company name to view more details such as job listings, address and phone number, number of employees, and more.

- Use "Advanced Search" to search by Business Type by Keyword/SIC/NAICS, geography, ownership, and financial data.

- Click the green "View Results" button. Select "Download," "Print," or "Save Search."

Generate "Heat Map" for locations, sales volume, and number of employees graphically displayed in a map. Zoom into the street level view to find nearby areas of interest including Attractions, Restaurants, Schools & Libraries, Police & Fire Departments, and more.
