SEARCHING/BORROWING BASICS:

- Click **BROWSE** and choose a format or do a **KEYWORD** search at the top of the page to find titles.
- You can sort the results by popularity, alphabetically, or by release date and user ratings among other things
- Once you've found what you wish to borrow, tap the cover image and choose **BORROW**, you can then download the title or choose to open it right away.

In order to sign up for **hoopla**, you will need the following information on hand:

- An email address
- A current LLD card number
- Your LLD PIN*

You will also be asked to create password for your account.

*Your LLD PIN is typically the last 4 digits of your phone number.

If this doesn't work, please visit or contact the library to have it reset.

Up to **15 titles** can be borrowed each month and they will automatically return when the are due!

hoopla doesn't have holds, so if what you're looking for is available in the collection, you can borrow it right away!
